

CALL FOR PAPERS

35th Annual Meeting of The Adhesion Society

Astor Crowne Plaza
New Orleans, LA

February 26-29, 2012

The Adhesion Society, founded in 1978, is an international non-profit, professional association, open to scientists, engineers and others whose interests include the broad field of adhesion and all its aspects.

The Annual Meeting Features:

- Focused symposium in honor of Excellence in Adhesion Science Award Winner
- Daily Plenary Speakers
- Two-day Short Course, "Adhesion Science and Technology", February 24 and 25, 2012, prior to the Annual Meeting, at the same location.
- Equipment Exhibition relating to adhesion science
- Poster Session and receptions.
- Student Awards Symposium. Senior graduate students are encouraged to apply, following the procedures outlined at the following link:

www.adhesionsociety.org/Awards/student_awards.htm

Important Dates

September 15, 2011: Short abstracts of 150-250 words due electronically to The Adhesion Society Home Office – via the website or e-mail.

October 15, 2011: Authors informed of the status of their contributions.

December 15, 2011: Deadline for submission of extended abstracts.

Topics of Emphasis for 2012

Presentations for the meeting are solicited for all areas of adhesion science and technology, with emphasis on:

Structural Adhesives
Soft Adhesives
Particle Adhesion
Contact Mechanics

Special Topics and Emerging Areas

- Adhesion in Nature
- Bioinspired Adhesion
- Novel Polymer Chemistry for Adhesion
- Nonlinear Mechanics of Soft Materials
- Liquid Interactions with Surfaces
- Single Molecule Adhesion
- Mechanics for Flexible Electronics
- Sustainability/Green Adhesion
- Friction
- Adhesives in Biomedical Devices
- Responsive Interfaces
